## **Athens Select**

Looking for heat lovers? Athens Select has three new heat/humidity-tolerant plants: alternanthera Red Threads, alternanthera Summer Flame and begonia Bonita Shea (pictured). Both alternantheras are hardy in USDA Zones 9 to 11. Red Threads features burgundy foliage and reaches 6 to 9 in. high. Summer Flame grows 6 to 8 in. tall, has multicolored foliage with bright-pink, white and green variegation. Begonia Bonita Shea reaches 6 to 8 in. and is hardy to USDA Zones 10 to 11. Contact Athens Select, Fallbrook, California; Tel: (760) 451-2385; [www.athensselect.com](http://www.athensselect.com).
